MEMORANDUM FOR: Deputy Director for Science and Technology

FROM:

Director, Foreign Broadcast Information Service

SUBJECT: FBIS Membership on Women and Minority Panel

1. The FBIS member on the DS&T Women and Minority Panel has been [redacted] who moves to new duties on 3 March. I would like to replace him on the panel as of that date and name [redacted] as his replacement.

2. [redacted] chief of the Asia Branch in our Near East/Asia Division, has been a driving force behind FBIS recruitment efforts in recent years, and has devoted much effort to recruitment of minorities and women. He inaugurated a direct mail recruitment campaign to colleges, professional societies and other institutions which has proved highly effective in recruiting language officers. He is also an experienced manager. I feel that his combination of interest and experience makes him an excellent choice for the committee. [redacted] is a GS-14.
